Accommodation

Josi sleeps 6 in 2 cabins and a quarter berth. The forecabin has a twin V berth that has a infill to create a double berth. There is storage beneath and shelving around the berth.

On the port side in the saloon the quarter berth is located, that's has the chart table that will slide out over the berth.

Before you reach the saloon from the forecabin, you will find the heads. Which is equipped with sea toilet and basin. There is doors that access both cabins, and ample storage.

The saloon has a table and seating for comfortable dining experience. The port side seating converts into the double berth and the starboard is a single berth. Again there is plenty of storage throughout the saloon.

The galley is equipped with a 2 burner gas stove with a oven and grill, icebox and sink.

Remarks :

Josi is a well maintained trapper 501. She sleeps 6 within 2 cabins and a quarter berth. The heads are located between the saloon and the front cabin, which has a sea toilet and washbasin, and can be accessed by the two cabins. The Saloon has comfortable seating and a table, that creates a pleasant dining area. She's also equipped with Propex warm air heater. There is ample storage throughout Josi. She's equipped with a main sail, genoa and a cruising chute. There is an array of navigation equipment such as GPS, Target speed and distance log and a Navico 5600 VHF.
