## Accommodation

Shirana has 5 berths within 2 cabins. The forward cabin has V shape berth with infill to create a double berth, with storage beneath. In the second cabin, there is single berth to starboard side next to the galley. The galley has a gas cooker with an oven and grill, a stainless steel sink

and ample cupboard space. Opposite the galley to port there is a dinette area, that can sit 4 people comfortably, which can also be converted into a double berth. The cockpit area comprises of two forward facing helm seats, with navigational instruments in easy reach. Aft there are storage lockers each side, and deep seating, which converts into a double summer berth. Beneath the seating, there is access to the engine.

## Remarks :

The Project 31 was launched by Marine Projects of Plymouth, now famous for their Princess range. A popular design for coastal and inland waterways cruising. Shirana has 5 berths in 2 cabins, with a comfortable and spacious living space. She comes with range of equipment. The current owner has had many upgrades and changes done throughout ownerships, such as cockpit tent refurbished, cockpit berth cushions upholstered, new domestic water pump and new shower.
