Remarks :

Boucanner is a beautifully constructed yacht, with great handling under sail and motor. Its a heavy safe boat, but very enjoyable to sail with the two mast yawl rigid, which included staysail. The current has lovely restored many aspects of Buccaneer. She comes with a Volvo Penta MD 2030 - 20hp (Installed 2018), anti fouled in 2018, standing rigging in 2003 and new standard horizon vhf. The current owner has also changed the headlining and re laid the cabins floor.
