Storage compartments
Mirror

Remarks :

Quality, Space, Ease of use - these are the features that strike you first when you step aboard the Cruisers 330 Express. It quickly becomes apparent that this is a well looked after and well loved boat, only being sold as a result of lack of use.

In the cockpit you'll find a large u-shaped seating area and wet bar area with a commanding helm position, Flexi-teak decking and easy walk through windscreen to a cavernous front deck.

Below decks you'll find a huge cabin with a queen berth to the bows, a convertible seating/bedding position to the aft and long galley, the whole section is air conditioned throughout by a 16,000BTU unit that can be run either from the shore power or by the generator system.

A rare find! Fitted out with the preferable colour schema, the D4 inboards, good level of equipment specification and low hours you'll be frankly hard pressed to find a better example for the money.

Photos taken Spring 2020 of the actual boat. We have viewed and listed this boat ourselves, we are onsite to conduct viewings 7 days a week.

Part Exchange Considered and Finance Available.
