Cockpit table
Single berth (aft)
Navigation aft

Galley:

Stainless steel sink
2 burner stove top
Storage

Heads:

Toilets
shelf

Remarks :

We are pleased to present to the market 'Celtic Wind' a Westerly Centaur built in 1978 and sailing the severn seas ever since, lovingly looked after by her current owners who are looking to progress onto their next boat.

A hugely popular model both in its day and still very well found in the second hand market.

The bilge keel arrangement on this boat is superb for shallower water cruising or occasional drying out in harbours whilst still offering good sea keeping capabilities and plenty of room below for staying aboard during a trip away with friends or family.

She comes fitted with a Volvo Penta MD11C Diesel 23hp engine (serviced 2018), spray hood, roller furling foresail and mainsail cover for the boom furling sail.

Part Exchange Considered and Finance Available

Keels Removed and re-bedded December 2014
Hull Epoxied April 2016
Full Survey 2014, Addendum Jan 2017 - Copies available
Anti Fouled and Anode Changed March 2018
