** LIBOR means the London Interbank offered rate and is the interest rate banks offer to lend funds (wholesale money) to one another in the international market. The LIBOR is set every day at 11am by a variety of international banks citing wholesale short-term lending rates (seven different maturities: overnight, one week, and 1, 2, 3, 6 and 12 months) and the most common rates are chosen. The LIBOR can be found on a number of websites including http://www.global-rates.com
