Mirror  
Storage

### **Remarks :**

A nice example of a Daniel Andrieu derived Jeanneau Sun Odyssey 43 currently looking for

her next owner. Fin Keel with shaft driven 3 bladed propellor, slab reef main and furling Genoa.

She includes a large Bimini and protective spray hood which covers her large cockpit seating, twin helms and winch position. Below decks the layout is flexible with a large saloon, L shaped galley, forward facing chart table and plenty of stowage throughout.

The large forward cabin is convertible to include a twin bunk cabin to one side which can be used for larger item storage or as flexible overnight berths.

A superb sailing boat and ready for her new owner.

Part Exchange and Finance Available on this boat.
