Cabin Lights

## Remarks :

Shamrock is a genuine and well kept example of the Quicksilver 705 Cruiser, having spent an early proportion of her life in freshwater she comes with her own trailer and has been well maintained and is well equipped with heating, auto-pilot, Bimini, Electric Winch, Lowrance GPS and light blue interior upholstery.

The exterior is in Dark blue and offers wrap around seating to the stern with a table and full size Bimini to keep the sun and rain off.

Inside there is a roomy cabin, finished in a pleasing light blue and grey finish with modern electronics, autopilot system, heater and more. There is a double berth forward and a heads compartment to starboard.

Winner of several awards including the prestigious Motor Boat of the year 2013 it is a genuinely superb boat and well worth serious consideration for anyone interested in this model.

Part Exchange Considered and Finance Available

Antifouled and Serviced May 2018
