Electric toilet quiet flush

## Remarks :

The Jeanneau Sun Odyssey 389 a Marc Lombard design offers a hard chine hull giving excellent stability and performance at all angles of sail and is perfect for those looking for a serious sailboat capable of both coastal cruising and equally at home further offshore.

This particular boat is the 3 cabin version and 1 heads in teak. Additionally this boat has been highly equipped with all the most popular options including in-mast furling, spray hood, offshore electronics and much much more.

With plenty of interior volume thanks to its inverse sheer, large opening portholes and intelligently concealed stowage coupled to a Marc Lombard designed hard chine hull with twin wheels for performance this is a really good family cruiser.
