Accommodation

Remarks :

Marlin 640 FB Rib built in 1997 with Evinrude 250 E-tec 2007 fitted.

She is in generally good condition and has benefitted from a new helm cover, new VHF, antifouling and service all completed in February 2020. Internal volume and deck space on her is excellent with her very wide beam and large seating areas both fore, aft and at the helm allow for her to carry passengers in comfort.

Comes with the trailer the she is pictured on.
