1 opening hatch  
Access to tanks and technical equipment in central corridor

### Remarks :

The Jeanneau Sun Odyssey 479 was one of the larger models offered in the Sun Odyssey range and feels every bit a big boat, from the moment you step aboard she feels very much like a 50ft cruiser in a 47ft hull with a number of layout choices to suit all needs, large

cockpit, dedicated sail locker and very impressive living accommodation.

This particular boat has been very well loved by her two owners who have looked after and upgraded her well during their ownerships, she is presented in excellent condition and with a host of extra options included.

She is currently lying in Penarth, UK.

She is a UK VAT paid boat.
