# Jeanneau Sun Odyssey

## Broker Remarks

Brand new Jeanneau Sun Odyssey 410 currently in build at the Jeanneau factory for YACHTS.CO this new boat will be available for delivery for the 2021 season. It is built to a high-specification with the most popular options already fitted, 3 cabins with 2 heads including a private forward head for the owner, large square berths, highest level of trim available is included along with a high standard of electronics. This model has won many accolades from others in the industry for its innovative forward thinking hull design and shape which allows for a large volume interior whilst improving sailing performance by generating lift in the forward part of the boat. The 410 carries the hall marks of the other boats in the Jeanneau range with the walk around side decks allowing easy access from the boat to the foredecks, reduced height gooseneck for ease of sail handling and wide cockpit with easy access through the transom via a swim platform. A true Jeanneau Sun Odyssey and should be in strong contention for anyone looking for a new boat for next season as one of the few still available for delivery in time for the season. Contact us today to discuss your requirements!! Available for delivery March 2021. **INCLUDED OPTIONS OVER STANDARD SPECIFICATION** - Retractable Bow Thruster 4,3kw- Electronics Pack 2020 'OFFSHORE' (INCLUDES, 1 RAYMARINE i70s MULTIFUNCTION DISPLAY, 1 DEPTH-SPEED SENSOR, 1 MASTHEAD WIND SENSOR, 1 RAYMARINE RAY73 VHF, 1 RAYMARINE p70s AUTOPILOT + ACU400 CORE UNIT AND GYROCOMPASS, 1 GPS RAYMARINE AXIOM 9 MULTIFUNCTION TOUCHSCREEN DISPLAY WITH WIFI, NAVIONICS SILVER CARTOGRAPHY).- Teak Cockpit

## Manufacturer Provided Description

To design the Sun Odyssey 410, Jeanneau reached out long standing design partner Marc Lombard, who was assisted by Jean-Marc Piaton. Together, they delivered on the challenge of bringing the classic Jeanneau styling into a modern yacht. Like the 440 and 490, the Sun Odyssey 410 features a generous beam and walk-around deck, ensuring life on deck is comfortable and spacious, either under way or at anchor. Simple sail handling is ensured through the use of an integrated bow sprit, inboard winches, and recessed wells for controls.

The Lombard-designed, hard chine hull combined with a high aspect cathedral rig, ensure this boat delivers on its high performance aspirations. The fine entry wave piercing bow significantly reduces drag, while giving the boat a distinctive look. In addition, careful consideration has been put into weight distribution and balance in the sail plan, bringing a new level of performance to the Sun Odyssey line. Even the most competitive sailor will love the speed, responsiveness, and ease of handling while at the wheel.

In addition to higher performance than ever before, the Sun Odyssey generation deliver comfort like

never before. The high volume hulls allow for bright, comfortable interiors. Like the Sun Odyssey 440 and 490, the 410 features a contemporary, central galley that is ultra-functional and with an abundance of storage. The central daybed, perfect for relaxation, is unique to the 410 and a key feature in this cozy saloon. A large, fully functional nav station to port provides for plenty of room for serious navigation as well as additional electronics.

The 410 can be configured in a 2-cabin or 3-cabin arrangement with queen size berths. It is available with either a single aft head or an additional head forward in the master cabin. Both heads offer separated shower compartments. Whether overnighting, entertaining, or day sailing, the Sun Odyssey 410 strikes the perfect balance between performance and comfort.
