Remarks :

Very well looked after Jeanneau NC33 – lauched May 2020 to her first and only owner she has had circa 120 hours use but has been well maintained and is otherwise basically as new. With her 6 berths aboard she is very pratical and comes equipped with a high specification including joystick piloting, bow thruster, generator and more besides.

A really nice example of this excellent and popular cruiser.

Part Exchange Considered and Finance Available.
