This vessel is offered subject to prior sale, price change, or withdrawal without notice.

#### Remarks :

A rare and unique opportunity to purchase the iconic 41DS, but not just any 41DS, the highest specification 41DS made. She boasts the very popular dark oak joinery and most the options that Jeanneau offered at the time, providing you with an unbelievable sail away package that should not be missed.

This has to be the highest specification circa 40ft boat on the market today, with a rare Dark Blue hull, 360 Joystick manoeuvring propulsion system, Laminate sails, cockpit enclosure, folding propeller and an extensive list of upgrades and maintenance from the current owner and much more.

This wonderfully designed boat is reminiscent of all the features displayed on her larger stable mates, with a large aft stateroom, plenty of storage and living space and above all the quality and value you can always expect to find in a Jeanneau yacht.
