***Forward Cabin***

V Berth Forward

Opening Deck Hatch

Electronics Cabinet to Port

**Remarks :**

Wild Osprey is a good condition Osprey 22 Euro Angler built in 2000. Well known as very solidly built fishing boats this particular example has been upgraded and looked after consistently by her owners who have upgraded the Fishfinder to a Lowrance Elite 9 Chirp

Downscan Fishfinder and Lowrance HDS8 Chart Plotter with 4G Radar.

Wild Osprey had her Yamaha engine changed in 2007 for a new Yamaha ME370 engine at which point there were 645 hours on the clock, the clock now reads 2533 hours and the engine had a major service in March this year including the outdrive and bellows.

She offers a seating position to port, comfortable air cushioned helmseat to port and a double berth forward. The deck is open and uncluttered making for an exceptional fishing boat.

From the factory she had included the Electric Windlass, Trim Tabs and additional mooring posts aft. She has also had a Radar arch with rod holders, Sterling Battery Charger and Galvanic Isolator fitted.

A really nice proper fishing boat in good condition ready to go for the season ahead.

Part Exchange Considered and Finance Available.

Last service date March 2021

Antifouled April 2020

Anodes Changed April 2020
