Remarks :

We're pleased to offer to the market this exceptionally good example of a Prestige 34S sports cruiser. 'El Cid' was built by Jeanneau Prestige in France in 2006 she has been owned by her current owner for the last few seasons and he has spared no expense in keeping it in exceptional condition.

Powered by a pair of 260hp Volvo D4 inboards on stern drives she gets on the plane quickly and easily and will be flat out at a whopping 36 knots allowing you to move quickly between locations and giving an exhilarating and enjoyable ride.

El Cid comes with all the desirable fittings including the teak laid bathing platform and cockpit floor, spacious seating area, opening sunroof, bow thruster, trim tabs, fly-by-wire throttle system and more besides.

Below decks there is a large owners cabin with a double island berth forward and a guest cabin aft with another double berth.

We encourage viewing to be able to properly appreciate this vessel.

Part Exchange Considered and Finance Available.
