Mechanical and Rigging

Construction

Full-length hull chine for improved stability and speed
Long waterline for better speed while sailing and under power
L-shaped cast iron keel less exposed to seaweed and lines
Twin rudders with self-aligning roller bearings and textile lines, to increase control and pleasure in navigation
Infused sandwich hull with balsa core and fiberglass skins, ISO gelcoat surface, protective barrier coat
Infused fiberglass inner liner, easy access to grounding frame, relamination in stays attachment areas.
Prisma Process® injected deck, ISO gelcoat, discontinuous balsa block coring – 30% weight savings as compared to traditional decks
Twin rudders with self-aligning roller bearings and textile lines, to increase control and pleasure in navigation
Easy circulation thanks to the inclined side decks
Flush deck hatches
Long tinted acrylic roof windows
Split rigging: Inboard shrouds for easier access forward
External woodwork and inlays made of Teak
Mid-ship cleats
Electric windlass
3 Cabin 2 Heads Version

Remarks :

NEW Jeanneau Sun Odyssey 490 - Lying Swansea for immediate delivery - Photos are actual boat.

Pricing as displayed is INC UK VAT but we can supply Excluding VAT for EU export.

Offering a supreme blend of sailing performance and volume she is equipped with a hard chine and powerful forward hull with twin walk around side decks that allow easy circulation in a design that is not found in any other sailboat on the market today.

Inside she offers a large open plan saloon with the stowage intentionally shifted towards the centreline of the boat to keep the centre of gravity low, forward of the saloon she has with cleverly designed owners cabin forward with a large bed and separate heads and shower with a central unit that houses a bookshelf and stowage options.

Don’t hesitate, speak to us today and you can be sailing your own Jeanneau Sun Odyssey 490 Yacht.

Builder: Jeanneau

Designer: Philippe Briand / Piaton Bercault & Co.

Engine: Yanmar 4JH57CR 57hp

Deep draft cast iron keel
