## Remarks :

The Broom 1070 is a fast offshore boat with the traditional handling qualities of a Broom which allows them to be used in inland waterways.

Kaikoura is a great example of the popular model and is fitted with twin Volvo Penta TMD 41CE 185hp shaft drive turbo diesel engines. Its has a excellent accommodation layout, with large saloon with u shaped seating, a large island berth in the aft cabin with an en-suite and a generous galley.
