Accommodation

Remarks :

No Engine included - This boat is being sold without engine, Honda rigging included.

The Orkney 19 foot Fastliner is built to meet the demands of the modern day fisherman. The flared bow is essential for cutting through the rough seas. The wide rounded sections amidships mean good stability. The well proportioned transom is just right to keep those motors clear from any following sea. The keel, swept away to encourage a clean flow of water to the propeller.

Boy Dylan is an excellent example of the fastliner range, viewing early is highly recommended.

Serviced in April 2022

Anti-fouled in April 2021

This is not a licensed fishing boat.
