Remarks :

We're pleased to present this Chris-Craft 215 to the market, Raider III is a very well presented example of the type and has been cared for to a high standard by the current owner.

She is finished in the striking blue hull and her fixtures and fittings are consistent with the high standards expected from Chris-Craft. On decks the recessed cockpit has a large seat at the stern with two bucket seats for helm and co-helm.

There is plenty of storage on deck for coolbox, fenders, water toys and lifejackets. Forward of the cockpit there is a walk through windscreen to access the bow and below deck a cosy cuddy cabin.

The cockpit is covered by a bimini on sunny days and there is a trailer cover (new 2022) included also.

Powered by a single Volvo 5.7 GSi Petrol 280hp inboard coupled to a Volvo Sterndrive she offers

She is well looked after and comes on a trailer ready to go!

Part Exchange Considered and Finance Available.
