Designed by Alan Hill as a proper 'little ship' Pilgrims Way is a Claymore 30 Sloop Rigged Sailing Cruiser. She offers a fore and aft arrangement with a centre cockpit that divides the two, which itself can be enclosed with a canvas cover.

The boat generally wants a clean and tidy with some areas such as the headlining in the aft cabin needing attention.

Underneath however you will find a sturdy motor sailor which offers substantial room and a deep, safe cockpit with fixed windscreen reinforced by her ballast ratio of 40% which will keep her comfortable even in a very stiff breeze.

Pilgrims Way represents a good opportunity for someone with a bit of time to invest into her. Viewing Recommended.
