Remarks :

The Fairline Turbo 36 is a timeless classic that has been enjoyed by boating enthusiasts for decades. Built in 1985, this yacht is a good example of Fairline's commitment to quality and craftsmanship.

Measuring 36 feet in length, this yacht is spacious and comfortable, with ample room for you and your guests to relax and enjoy the ride. Pendragon has 6 berths and 2 heads and excellent master cabin in the aft.

Powered by twin Volvo Penta TAMD60 diesel engines, this yacht delivers a smooth and reliable performance that's perfect for long-range cruising. With a cruising speed of around 22 knots, you'll be able to explore the open water with ease and comfort.

She also makes an excellent river cruiser thanks to her relatively low draft.

But perhaps the most striking feature of the Fairline Turbo 36 is its classic design. With sleek lines and a timeless style, this yacht is sure to turn heads wherever you go.

Finance and Part exchange available.
