Remarks :

The Merry Fisher 695 is a popular 21-foot motorboat that is known for its versatility and comfortable cruising capabilities. This particular model was manufactured in 2016 and features a sleek and stylish design that is both practical and functional.

The interior of the boat is well-appointed and features a spacious and comfortable cabin that can comfortably accommodate up to four people. The cabin is equipped with a dinette that can be converted into a double berth, a separate aft cabin with a double berth, a fully equipped galley, and a separate head compartment.

The cockpit of the Merry Fisher 695 is designed for maximum comfort and features a large and spacious seating area with a table for al fresco dining or relaxing with friends and family. The cockpit also features a large sunpad that can be converted into a comfortable seating area, as well as a swim platform for easy access to the water.

Powering this boat is a Yamaha 150, which provides ample speed and agility for cruising, watersports, and fishing. The Merry Fisher 695 is also equipped with a range of advanced features and technologies, including a GPS chartplotter, VHF radio, and sound system.

Overall, the Merry Fisher 695 is an excellent choice for those looking for a stylish and practical motorboat that is versatile enough to handle a wide range of activities, from cruising to fishing to watersports.
