Starfisher 780 'Sea Voyager'

Are you searching for the ultimate fishing boat that combines performance, comfort, and reliability? Look no further than the Starfisher 780. This meticulously maintained 2006 vessel is equipped with everything you need to make your fishing adventures unforgettable.

Constructed with a durable GRP hull and featuring wheel steering, the Starfisher 780 is built to withstand the challenges of the sea. With a top speed of 25 knots, it offers impressive speed for reaching your favorite fishing spots quickly.

Powering the Starfisher 780 is a Yanmar 4LHA STP inboard engine with just 744 hours on the clock. Recently serviced in March 2023, you can trust its performance on the water.

The boat also includes hydraulic steering and a Side Power bow thruster for easy manoeuvrability.

Step onto the deck and experience the convenience and functionality designed specifically for fishing enthusiasts. The large self-draining cockpit features a transom door to the bathing platform, making it effortless to access the water. Teak gunnels, rod holders, and a bait table ensure you have everything you need within reach. Plus, with ample storage lockers, you can keep your fishing gear organized and easily accessible.

Navigate with confidence using the included Raymarine Radar, Garmin 750 GPS/Finder, Lowrance Hook 7Ts, and Lowrance VHF M421. A Jabsco remote spotlight and iPad bracket enhance your navigation experience.

Inside the pilothouse, you'll find a spacious saloon with opening windows on both sides, providing excellent ventilation. The helm is equipped with throttle, engine gauges, thruster control, trim tab control, anchor windlass control, and spotlight control for ease of operation. Enjoy meals and downtime at the height-adjustable table with forward and aft seats, while the galley provides a fridge, stowage, and a sink with a cold tap.

When it's time to rest, the forward berth offers a comfortable sleeping area with an opening deck hatch and LED lighting. Additional cuddy storage and shelving maximize space utilization. The heads compartment features a Jabsco sea toilet, sink, and an opening hatch.

Don't miss the opportunity to own the Starfisher 780, a reliable and well-equipped fishing boat. With its exceptional features, meticulous maintenance history, and focus on functionality, it's the ideal vessel for your fishing expeditions. Contact us today and set sail on your fishing adventures like never before!
