Remarks :

The Brig Eagle 580 is a high-quality and stylish inflatable boat that offers both comfort and performance on the water. It is well-suited for various recreational activities, including cruising, watersports, and exploring coastal areas.

This model comes equipped with a powerful 100hp Suzuki outboard engine, providing excellent acceleration and speed for thrilling rides and towing water toys.

The boat's design features a deep-V hull, ensuring stable and smooth handling, even in choppy waters. The tubes are made from durable, high-grade materials, enhancing buoyancy and adding extra safety.

The Eagle 580 offers ample seating space for passengers, with comfortable cushioned seats and a spacious deck area. With storage compartments for stowing belongings and equipment.
