Remarks :

The Bavaria 40 Vision is a masterclass in combining performance, comfort, and elegant design. This 40-foot beauty seamlessly blends sailing prowess with luxurious living, making it an ideal choice for both cruising enthusiasts and live-aboard sailors.

Equipped with a modern rigging setup and responsive sail controls, the Bavaria 40 Vision delivers an exhilarating sailing experience. The well-balanced hull design ensures stability and ease of handling, whether you're cruising coastal waters or embarking on longer passages.

Step below deck, and you'll find a spacious and thoughtfully designed interior. The saloon is bathed in natural light, creating an inviting atmosphere. Accommodations include generously sized cabins, each crafted for relaxation, and a well-appointed galley for preparing meals at sea.

What sets the Bavaria 40 Vision apart are its innovative features. The large, panoramic

windows not only provide stunning views but also contribute to the modern aesthetic. The cockpit layout is optimized for both solo and social sailing, with easy access to all controls.

Whether you're planning a weekend getaway or a long-distance cruise, the Bavaria 40 Vision offers versatility without compromising on performance. With ample storage, a well-equipped navigation station, and modern amenities, this yacht is designed to make every journey enjoyable.

This particular boat is equipped with the Fin keel, Eberspacher heating, Full electronics suite, Cockpit enclosure, new bow thruster, Raymarine plotter and quantum radar.

Part Exchange Considered and Finance Available.
