Beneteau Beneteau Swift

Broker Remarks

This boat is available at this special price due to the fact that she is offered as being a public service vessel. They have decided that the vessel is surplus to requirements as they have taken delivery of their new custom built vessel.

This boat has a great pedigree as a fast Trawler that covers a wide spectrum of boating.

She is exceptionally well equipped and well appointed. The second cabin has been converted to an office with a single berth but can be converted back at little work and expense.

She is currently ashore and she is ready for your inspection or survey.

Having twin engines and Bowthruster make her easy to handle especially if you are short handed and need to dock smoothly and take off with ease being in control in most seagoing conditions.

Book your appointment soon as this boat will quickly be in new ownership.

Accommodation

Forepeak - double cabin with heads on suite. Various lockers and cupboards for storage, as well as under the bed.

Starboard cabin with a single berth and desk, presently being used as an office

To portside, heads with shower servicing starboard cabin and saloon.

U-shaped settee with centre table which converts into a double berth.

Internal steering position starboard side with twin access doors on either side of the cabin.

Large doors at the rear of the saloon entering cockpit, which has a full cover with windows

Walk round on both sides of boat to foredeck.
