Mechanical and Rigging

CONSTRUCTION:

Hull number: Oyster 54/01

Hull construction:

Hull 'custom' laminates comprises combination of E Glass, Kevlar and Carbon Fibre which offers significant weight savings, strength and stiffness advantages over normal GRP. Incorporated a balsa core above the waterline for additional strength, stiffness and insulation. Solid laminate below waterline reinforced with stringers and floors

Hull finish: Hull painted in Awlgrip Flag Blue with gold cove line and white double boot top lines

GRP superstructure and hull cut and polish (2019)

Deck Construction:

Moulded in GRP with Balsa Core

Deck Finish: Teak laid decks with self- draining teak- laid cockpit,GRP low profile 'roll edge' bulwark

Keel: High performance bulb (HPB) with external lead keel

Rudder: Self protected skeg-hung rudder

Stern design: The stern design incorporates a bathing platform trimmed with teak slats and two teak filled stainless steel steps for access to the stern deck and hot & cold shower.

EURCD Built to comply with the latest requirements for Category A- Ocean

ENGINE

Engine: Yanmar 4JH4-HTBE 110Hp (81kW) four-cylinder turbo diesel

Propeller: Gori 3-blade folding

Rope Cutter: Ambassador

Alternators: 80A 150Ah
150A/24V Mastervolt heavy duty

Generator: Onan MDKAV 7 Kw 220v 50hZ

Bowthruster: MaxPower CT!65 24V tunnel bow thruster including eyebrow

Air Conditioning:

220V Cruisair reverse cycle system, comprising a total 16,000BTU units
3 x air conditioning units: owner's stateroom, saloon, and fore & side cabin
Fully Serviced 2018

Watermaker: Seafresh 204A 220VAC providing 72 litres/hour

Remarks :

Immaculately maintained and superbly equipped by an owner who has lavished care, attention in every aspect. Many of the upgrades have been carried out by the Oyster's factory in Southampton and Ipswich, which have included upgrades to LED lighting and entertainment systems as well as a new carbon gangway.

This yacht is presented in fabulous condition and has to be seen to be appreciated, an interior finished in American light oak joinery presenting a sense of quality and craftsmanship.

The rig is set up for short-handed sailing, and she provides an exciting and rewarding sailing experience for the true sailor.

Located in Gibraltar. A beautiful yacht, ready for its next adventure.

This boat is fully winterized and ashore ready for survey all systems are fully functioning.
