Remarks :

This is a fine example of the Adagio build quality in every respect. A 2016 boat which has been cosseted from new she looks young for her years. She is presented in a classic off-white epoxy protected gelcoat. Complete with central heating radiator system and Airconditioning. She is fitted with Seagyro Stabalisers. She is safe and comfortable and can be easily managed by a couple with all the equipment that is fitted Bowthruster and Sternthruster. All the equipment is serviced and ready to go now including complete Engine service records. Engine Hours are available on request.

Should you wish to have an extensive and informative test sail please contact us.
