## Construction, Mechanical and Rigging

### Construction:

Sea Angler 23 built by Bootwerk of the Netherlands to a design by Guido de Groot.

Built in 2002 by Bootwerk this is stylish and beautifully fitted out 'clinker style' GRP river/sea boat with large comfortable cockpit and cuddy cabin. there are useful stowage spaces under the side-deck coamings where a convenient set of steps allow easy access to the side-decks. There is a single berth set to each side with a 'cross-over' forward against the bulkhead which has an opening to the chain locker. The Fore-deck is reached by the side-decks and has a good sized stainless steel rails each side leading to the Pulpit

Traditional gentleman's motor/fishing boat

GRP Clinker effect hull

GRP Deck and superstructure

Iroko laid cockpit floor and inner cockpit side lining

### Mechanical:

Yanmar 3GM30F 27hp 3-Cylinder diesel engine, conventional shaft drive to a bronze propeller.
