Kit in main box ie hull and superstructure (deck).
No engine or interior finishes.

Accommodation

Remarks :

We present a Skerry Schooner Yacht kit available to purchase. The kit is currently located at a private address in Cheshire with the owner realising he does not have enough time to start the project. The yacht has been developed from the lines of the vessel 'Elgen' a Norweigan Skerry boat built in 1769. The design incorporates the aesthetic lines and rig arrangement of the original, whilst introducing accommodation in keeping with the expectations of the modern cruising yachtsman.

We have a large collection of paperwork and designs that can be viewed in our office for any keen buyer or interest. Far too much to place online, you will find a small selection on the photos section.
