Remarks :

We present a very roomy Sealine Statesman 305. The 30ft has been well thought out by Sealine in the 1980s in which boats were built strong with some excellent modern features. The current owner of more than 14 years is now downsizing his boat after many years of enjoyment on her. No VAT document with the vessel, bill of sale will be provided. Lying in Conwy River, priced to sell.
