Remarks :

'Due South' is an exceptional example of the ever-popular Prestige 36 flybridge by Jeanneau. Presented in absolutely pristine condition throughout, with many extras making this boat the perfect family choice for longer stays away with easy access to the shore. With ONLY 435 hours light use on the Volvo Penta D4-300hp EVC engines and the advantage of the extended bathing platform, providing both power and luxury for the owners and guests alike.

The boat has been fastidiously maintained throughout her life and presents as possibly one of the finest examples of this model on the market today.
