Mechanical and Construction

Engine and Electrics

The vessel is pre-rigged for Yamaha from the factory. We have specified the price with a popular 200hp Yamaha option, this includes a 5-year warranty from PDI and registration. Flush mount single lever engine control. Sports steering wheel. 280 litres fuel capacity in rotomolded tank. Fuel is pre-filtered before entering the engine.

12V system. Shore power connector with a battery charger.

Full antifoul is included in the price.

Construction

GRP constructed motor cruiser with hard chine giving greater stability both at anchor and at speed. Flared transom. Redundant. Smart, metallic charcoal hull decals. Transom with teak laid individual bathing platforms port and starboard and a stainless steel handrail.

Large self-bailing cockpit with sliding aft bench and cockpit seating with cushions.

GRP wheelhouse with curved toughened glass windscreen. The boat has been specified with twin wipers and a washer system. The side windows are with inset sliding opening windows. Additional opening hatch in the wheelhouse roof increases air circulation and additional natural light. Mooring cleats fitted fore, aft and transom. Anchor with chain and warp included. Fenders and dock lines also.

Manufacturer Provided Description

Merry Fisher 795 Series 2: Ideal weekender for experiencing moments of pure pleasure

A TRUE WEEKENDER WITH AN OUTBOARD ENGINE, THE NEW MERRY FISHER 795 SERIES 2. A DYNAMIC DESIGN AND A NEW HULL WITH A VERSATILE, TRADITIONAL COCKPIT.

She delivers more power and higher performance at sea, as well as stability and undeniable comfort while underway.

Perfectly adapted for family coastal cruising, this vast cockpit open to the sea is a real invitation to swim.

Inventory

The new 2022 795 is currently specified with the following options (These can be changed pre-build, please contact us for more information). This is a good spec and will allow for

comfortable cruising with friends and family.

- Trim level Premiere 2020 which includes midship cleats, sliding hatch in wheelhouse roof, sliding opening window, cockpit cushions for the aft bench seats, 2nd electric windscreen wiper, screenwash system and cockpit shower
- Electric windlass
- Mooring lines and fenders
- Anchor with chain and warp
- Cockpit sun awning - graphite colour
- Interior curtains
- Teak laid swim platforms
- Bathing ladder
- 220V shore power with battery charger and water heater
- Luxury galley with gas stove
- Hot water shower in heads
- Fridge 40L
- Double berth conversion for dinette
- Marine toilet with holding tank
- Yamaha pre rig including CL5 Display

Accommodation

Triple sliding door to the saloon from the cockpit. This opens up the saloon as an extension of the cockpit. Galley to starboard with black worktops with built-in cup holders. Stainless steel single burner gas hob. Stainless steel sink with pressurised freshwater.

Opposite the galley is the dinette with a large wooden table, the backrest on the forward seat cleverly pivots to make a forward-facing co-pilot seat. The dinette converts to a large double. Forward of the helm is the large heads with sink, sea toilet and holding tank.

Pressurised water faucet. 12V ceiling light.

Forward berth with storage below. 12V lighting and 240V socket. All windows and hatches have blackout curtains that offer privacy and protects the interior from UV damage.
