## Accommodation

**Overview:**

The Jeanneau Merry Fisher 695 is a very cleverly designed versatile boat. Perfect for first-time boaters and weekenders. They offer great accommodation and comfort for a boat of this size. The first thing you notice is the large cockpit canopy with the teak swim-up platform and how easy it is to board. Stepping onto the flush-mounted platform and walking through the rear gate and into the cockpit is simple. The cockpit area can seat several adults in comfort and is configurable to allow seating, sunbathing or open space for fishing and watersports.

This vessel is also fitted with the optional Bow mounted sun pad, bathing ladder and 175hp engine.

Inside the wheelhouse features a dinette that seats 4, perfect for when you're underway and it's a little cold outside. The dinette will convert to another berth. The large windscreen has no central pillar, and along with the deep side windows, provides excellent all-round visibility.

On the starboard side is a galley with a fridge, sink and lots of storage space. Towards the bow is a separate heads compartment with a sea toilet and holding tank and forwards is a good-sized V double berth that comes with an additional custom made mattress.
