INSPIRED AND ON-TREND

The new Cap Camarat 9.0 WA revisits the concept of the 8.5 WA, a sporty boat with a family-friendly spirit, which has been a great success. With her pure, streamlined design inspired by the Cap Camarat 10.5 WA, her look is decidedly on-trend! Her traditional V-shaped hull was designed by Michaël Peters. Stable and powerful, her hull ensures excellent seakeeping and very secure handling at sea for family cruising or sporty outings.

COMFORTABLE CRUISING

The layout of the Cap Camarat 9.0 WA makes her the ideal boat for day trips or weekend cruises. On the exterior, the vast cockpit benefits from a helm station with seating for two, a portside galley, and numerous storage options.

This new flagship Walk Around includes a very large forward sundeck and an immense and very comfortable saloon served by an exterior galley. On-board access is facilitated by two large aft swim platforms.

On the interior, the new Cap Camarat 9.0 WA will delight all those who appreciate full comfort: she features a very large double berth, a saloon that also converts into a double

berth, a head compartment with a separate shower, a «breakfast nook» and copious storage. Perfect for family cruising, this new model also features long windows in the hull for an extremely bright interior.
