## **Accommodation**

Accommodation comprises a forward master cabin with a hanging locker, storage drawers and a dresser. Moving into the large and spacious saloon a C-shaped sofa and large wooden dining table provides ample seating and a comfortable relaxation or dining space. The C-shaped seating area converts into a large double berth with an infill cushion perfect when accommodating extra guests. The extensive linear galley comprises of a Smev cooker with four burners, grill and oven and separate microwave, 12V fridge with icebox, two-speed extractor/ air inlet fan and double sink plus drainer. The worktop can be completely infilled with cherry folding covers extremely useful when requiring a large countertop work surface. The Aft cabin also provides another double berth or can be used as a single with a seat and hanging locker for storage. The heads compartment is to the starboard and offers a spacious full-height shower area with a plastic screen and teak grated flooring. The marine toilet offers switchable discharge direct to seas or a holding tank with an electric pump out to sea. A fixed vanity with a mirror and storage cabinet provides extra comfort and storage. Moving aft and up through the sliding door companionway, the cockpit offers further seating and entertainment areas. The large wrap-around seating and cockpit table can be converted into a large sun pad perfect for relaxing. To the starboard is a wet bar with hot and cold water and an integrated cool box. A large teak-laid swim platform offers easy access to and from the water via a boarding ladder. A hot and cold deck shower is located at the stern and a further storage compartment is ideal for storing extra equipment.

## **Remarks :**

We are proud to present to the market a Hardy Seawings 355 Elegance sports cruiser. Designed by Andrew Wolstenholme, Tilly II is one of a four-model Hardy range, launched in 1997 she is one of the first hardtop sports cruiser vessels. Renowned for their high build quality Hardy Marine combine high-speed cruising and practical accommodation, producing vessels that perform in all weather thanks to the hardtop layout and deep hull profile. Tilly II has been meticulously well maintained by her current owner and has benefited from an extensive list of upgrades and servicing. A brand new bespoke navy canopy has been fitted in 2020 which creates a clean, spacious and bright cockpit area. This boat is a fine example of the Seawings Elegance range with beautifully worked cherry wood interior and cream leather

upholstery, curtains and carpets. Every feature of the boat has been extremely well crafted and fitted from the galley cabinets to the internal drawer trays. The Eberspacher three-outlet air heating system allows for easy immediate heating great for warming the boat up quickly when stepping on board. . The luxury cockpit boasting ample seating and a wet bar is perfect for dining, relaxing or entertaining guests. The raised helm position instills confidence when handling the vessel at sea and it is no surprise why the RNLI choose Hardy Marine to build their training vessels. This boat is lying afloat at Conwy Marina and is ready to view now. To arrange a viewing please contact our Boatpoint Conwy Office!
