

Bavaria 30 Sport

Year:	2009	Heads:	1
Location:	Conwy Marina, North Wales	Cabins:	1
LOA:	31' 6" (9.60m)	Berths:	4
Beam:	9' 9" (2.98m)	Keel:	Deep V Planing
Draft:	2' 9" (0.85m)	Engines:	2

Remarks:

'Aurora' a well-presented clean example of a Bavaria 30 Sport. This German-built vessel is a fantastic cruiser and the perfect boat for days out on the water with family and friends. With twin Volvo Penta diesel inboards she is both powerful and stable providing comfort and performance when at sea. Last serviced in 2020 and with three new batteries fitted in 2021 she has been well looked after and maintained. Available to view now by appointment!

Accommodation

The Bavaria 30 Sport offers a spacious and functional layout. Entering the cockpit from the large teak-laid swim platform you are welcomed by seating and relaxation options. The large convertible sun pad is positioned at the stern above the engines and is perfect for those relaxing days on the water. If entertaining the backrest rolls forward converting into a U-shaped seating area surrounding a large cockpit table. A wet bar is positioned on the starboard side with an additional sink and a new fridge fitted in 2021. Moving forward the bucket helm seat with bolster provides adequate visibility across the bow and to the portside a curved bench provides extra seating for passengers. Moving through the glass door companionway the Bavaria 30 Sport design does not disappoint. The polished mahogany woodwork and cream leather seating create a warm and elegant atmosphere within the cabin space. To the bow a comfortable U-shaped seating area surrounding a dining table offers dining and entertaining space, converting into a comfortable double berth if required. The galley is positioned on the port side and comprises a two-ring electric hob, sink and fridge with plenty of storage space in the cabinets positioned above and below the polished countertop. The double aft cabin is spacious and comfortable and offers a double bench seat with a hanging locker and further storage in overhead lockers. The heads are positioned to the starboard side and comprise an electric Jabsco toilet, hand basin, cabinet, and wall mirror.

Remarks :

'Aurora' a well-presented clean example of a Bavaria 30 Sport. This German-built vessel is a fantastic cruiser and the perfect boat for days out on the water with family and friends. With twin Volvo Penta diesel inboards she is both powerful and stable providing comfort and performance when at sea. Renowned for its elegant and luxurious design this Bavaria sports cruiser offers comfortable relaxation and entertainment space in the cockpit area. Fitted with a brand new full cockpit cover in 2021 the deck space benefits from natural light creating a spacious and bright atmosphere.
