# Dufour Dufour 365

## Broker Remarks

This Dufour 365 is an excellent yacht, she benefits from a coachroof mounted Raymarine C80 chartplotter with radar, all control lines are lead aft to the cockpit so sail handling is easy when sailing shorthanded. She also has transom boarding, and a folding Lewmar steering wheel to make the passage through the cockpit to transom as easy as possible.

She has two sets of Harken sheet winches and a Harken mainsheet traveler, all deck gear is Harken.

Below deck the Dufour 365 Grand Large has the benefit of diesel fired cabin heating, large top loading refrigerator and an extremely generously sized heads and shower.

These yachts are very easy to sail the Dufour 365 is responsive under power and sail, she is also quick due to hull shape and keel design, this yacht also benefits from a Kiwi folding propeller and ambassador rope cutter.

Opportunity for a swinging mooring on the stunning River Yealm as part of the deal (mooring extremely sought after)!!

This Dufour 365 is currently out of the water on the hard standing for her winter storage, she is due to have the Spring maintenance carried out before she gets launched again, this usually includes a hull

polish, underwater profile antifouled, canvas work and sails laundered. She will be once again in top condition ready for a lucky buyer to enjoy come the spring.
