Harmony 42 Elegance

Broker Remarks

This Harmony 42 Elegance is great value for money, she has been in the same ownership since new and has been the owners pride and joy.

The Harmony 42 benefits from three spacious double cabins, the forward cabin has the luxury of an en-suite heads. The saloon is voluminous and has the added bonus of a convertible saloon table offering a further double berth.

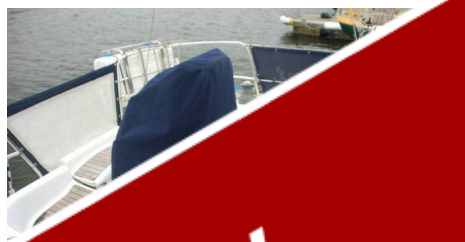

Sail handling is nice and simple, she has a genoa and a lazybag with jackstay to pull the genoa aft to the cockpit so this makes it a breeze!

The vendor takes the boat out for the boat club. The

considerable time, this would be a good investment. The boat is not looking to be sold in these winter months.

REMARKS:
The owner of this boat from new, she was purchased in 2005 and has been quite possibly my

best purchase to date, she is an affordable boat for a 42 footer.

We have used her as a home away from home, spending long weekends onboard sailing the beautiful southwest coast.
