Broker Remarks

This Bella 561 HT is a smashing little boat, she would be the perfect introduction boat for a beginner, she is easy to handle, she is quick but economical with her four stroke engine.

This Bella 561 benefits from a hard top coach roof/cabin and a full cockpit enclosure, so on a really nice weekend there is the possibility to stay overnight with her interior double berth. Alternatively if the weather is bad you can relax knowing that you are warm inside the cockpit with this cover up.
