Remarks :

This Quicksilver 640 Pilothouse is a nice example, she is the perfect small fast fisher. She has the preferred 115hp, four-stroke outboard engine which gets the boat planing quickly, yet still very economical on fuel.

The vendor has owned this boat since new and has always had her professionally maintained, she has various extra options as part of the package such as the electric anchor windlass, fishfinder, Garmin chartplotter, DSC VHF radio, rod holders and cockpit handrail cushions and more!]

The condition of this Quicksilver 640 Pilothouse is very good and will be a complete package for any new owner.
