Shelving
Opening cockpit portlight

Remarks :

Brokers Remarks:

This Jeanneau Sun Odyssey 32 is a very well updated yacht, she has an excellent inventory with all of the major items in date, such as recent sails, rigging and safety equipment. The Jeanneau Sun Odyssey 32 offers excellent internal volume for a yacht of just 32 feet, she has adequate accommodation with two good size double cabins and the aft cabin double berth is huge! She is very comfortable for 4 people and happily accommodates up to 6.

Owners Remarks:

We have owned Serenade since March 2019 and purely age catching up on us is the only reason for the sale. She has been used for day sailing and mostly fair weather cruising between the River Dart and the Helford River. She has not been raced! We have found her very comfortable to live on board. She is highly manoeuvrable under the engine and makes fast passages in all but the very lightest winds
