Beneteau Beneteau Oceanis

Broker Remarks

Excellent example of the ever popular Beneteau Oceanis 34. This is the two cabin version featuring the "owners" double berthed cabin to the rear and the guest cabin with full length double V-berth forward. Large companionable cockpit with bespoke cockpit cushions and fold away binnacle mounted cockpit table. This vessel benefits from the full cockpit enclosure which acts as another living area and is ideal on those bright winter days. This is the standard draft version giving a depth of 1.85M. Comprehensive electronic navigation package with Raymarine C80 colour chart plotter, Raymarine ST6000 series autopilot and VHF radio with DSC capabilities. Below decks is bright and spacious with lots of natural light from the numerous deck hatches and the panoramic side windows. This boat represents excellent value at this price. Full documentation including VAT and Builders paperwork.

Accommodation

Well appointed yacht with warm mahogany faced bulkheads and parquet style flooring
2-Cabin layout with "Owners" double cabin aft and guest cabin in bow.
Cream fabric seat covers removable for easy cleaning
Webasto diesel fired heating extends the season and keeps the boat dry
Galley to port with double stainless steel sink and pressurised hot and cold water
Gas fuelled oven with two burner hob on gimbals
130 Litre capacity front loading fridge with ice compartment
Large heads with marine toilet and holding tank
Vanity unit with sink and shower hose
Automatic pump out shower sump
Mirror fronted and angled storage units
Aft facing chart table on starboard side
Saloon with central table with drop leaves
Seating/berths port and starboard.
12V lighting throughout
Curtains and blinds on all port lights

Mechanical and Rigging

Construction:

GRP constructed yacht with hi gloss white topsides
Large self bailing cockpit with cavernous locker storage to starboard.
Wide bathing platform with transom access via raised helm seat.
All walkways finished in moulded non slip for safety.
Large sprayhood with full cockpit canopy. New 2016
Large self bailing anchor locker with electric windlass.
Full set of bespoke cockpit cushions including back rests.

Engine & Electrics:

Well maintained Yanmar 3YM20 inboard diesel engine
Reduction gearbox driving stainless steel shaft and 3 bladed bronze propeller.
Bank of 3x 12V batteries - New 2016
These are recharged via engine alternator or battery charger
Shore power unit with cabin sockets.

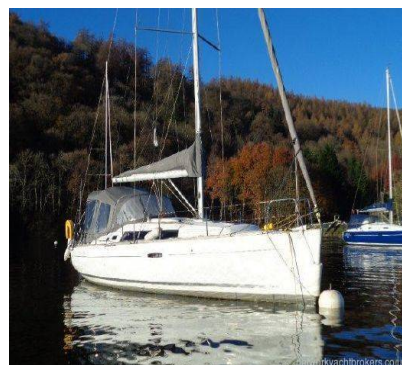

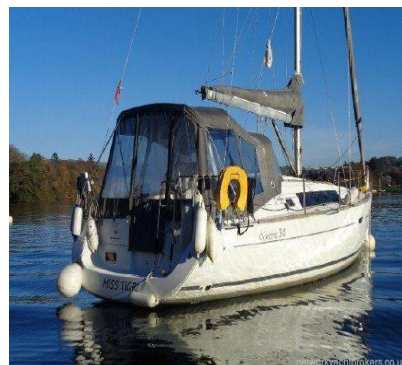

Sails and rigging:

Deck stepped aluminium spars with double set of spreaders
All standing rigging in stainless steel.
Mainsheet track mounted forward of sprayhood to keep cockpit free.
All running rigging in braid on braid.
Semi battened mainsail mounted in a lazy bag on boom.
Roller furling headsail with UV strip and luff sock
UV strip and luff sock replaced in 2016
Lazy bag and lazy jack lines replaced in 2016
