Canvey Island Boats

Broker Remarks

This is without a doubt the smartest Wing 25 I have ever seen. If you are in the market for a decent 25 foot cruising yacht with superb sailing characteristics then look no further. Smart painted topsides, clean and spacious decks, deep safe cockpit and a very well maintained and reliable inboard Beta Diesel.

Below is warm and welcoming with good use made of the available space. The yacht can sleep 4 with ease so ideal for a cruising couple or small family. Decent galley, separate heads, gas heating and good storage for a yacht of this size means that weekend and longer passages can be undertaken.

Excellent electronic navigation package including Navman GPS/Plotter, Clipper duet log/depth, Huson VHF and autopilot.

Comes complete with road legal trailer allowing new cruising grounds to be explored.

Accommodation

Below decks is warm and welcoming. Teak faced marine ply bulkheads with contrasting ivory headlining. The upholstery is easy clean blue vinyl and in excellent condition.

Vessel can sleep 4 with ease. The forepeak can be used as a double or as a spacious single. The saloon settees double as berths port and starboard. Galley forward of port side saloon settee/quarter berth with gas fuelled 2-burner hob and grill. Stainless steel sink with hand pumped water. Plentiful storage. Between the saloon and the forepeak is the heads compartment with hanging locker opposite.

Boat kept warm thanks to the efficient gas fuelled catalytic heater.

Mechanical and Rigging

Construction:

GRP constructed yacht with long keel and skeg mounted rudder.

Smart painted topsides with stained and varnished wooden hull to deck join.

Raised coachroof with professionally refurbished and fitted windows and deck hatch.

Large self bailing cockpit with locker storage.

Stainless steel bow and stern rails with stanchions and guard wires for safety.

Handily placed teak grab rails on coachroof.

Engine & Electrics:

Vessel powered by an economical and reliable Beta Marine diesel.

This 13.5hp unit fits snugly beneath the companionway steps allowing easy access for daily checks.

Single lever engine control mounted in cockpit. Engine start panel situated adjacent to companionway.

Bank of two 12V batteries providing engine start and domestic power.

These are fitted with isolators and are recharged via the 80amp alternator or a solar charger.

Fully fused 12V switch panel. 3-pin sockets in cabin when attached to shore.

Sails & Rigging:

Bermudan sloop rigged yacht with deck stepped gold anodised mast and boom

Stainless steel standing rigging and terylene running rigging.

Most lines are led aft via a series of deck organisers and clutches.

This aids short handed or solo sailing.

Slab reefing mainsail mounted on boom with sail cover.

Roller furling headsail with UV strip.

Other sails include spinnaker, spare main and storm jib.

Well equipped yacht suitable for coastal cruising. Included in the sale are:

Road trailer with new hitch, brakes and recent tyres.

Sowester compass

Navman GPS/Plotter

Clipper Duet Speed/Log

Husan compact VHF with cockpit mounted speaker

Autohelm

Navman Wind/Speed direction instrument (not fitted)

CQR anchor with chain and warp
