Remarks :

The Quicksilver 605 pilothouse is an ideal vessel on which to enjoy the water. Whether it's angling, weekending or days out with friends and family, you will be hard pushed to find better. Deep cockpit with seating and table, generous cockpit storage, full cockpit enclosure added in 2018, spare cockpit bimini top and a large wheelhouse with great visibility and double berth enhance your boating experience.

The anglers amongst you are well catered for as well, with live bait well, deck wash, fish storage, rod holders and a colour Hummingbird chart plotter/fish/depth sounder.

It is powered by a Mercury 100hp, 4-cylinder outboard that provides economy, reliability and performance. The engine has been well maintained and will be serviced for the lucky new owner. To date she has completed 90 hours. Mercury 3.5hp outboard mounted on rear bracket.
