Mechanical and Rigging

Construction:
GRP Constructed yacht built by Dufour in late 2001 and launched in 2002.
1.54M, cast iron fin keel with aft swept bulb. Counted hull semi-balanced rudder.
3-bladed propeller protected by a skeg. Stainless steel shaft fitted with rope cutter.
White hi-gloss topsides with burgundy hull decals. Topsides polished in May 2019.
GRP deck and superstructure finished in non slip. Deck moulding incorporates anchor mount.
Large self-bailing cockpit with access to bathing platform.
Huge locker storage to starboard. Separate self-draining and vented gas locker.
Stainless steel bow and stern rails connected by stanchions and double set guard wires.
Large self-bailing anchor locker fitted with strong point and manual windlass.
Raised coachroof with portlights and opening deck hatch for natural light and ventilation.
Stainless steel grab handles and life raft cradle fitted to the coachroof.

Engine & Electrics:
Vessel powered by a very economical and reliable Nanni D722 inboard diesel engine.
This 19hp, fresh water cooled unit is located in a soundproofed compartment beneath the companionway.
Engine start panel in the cockpit with key start, rev counter and hour meter.
Single lever engine control mounted on the binnacle.
Bank of three, 12V batteries providing engine start and domestic power.
Battery isolators located in the cockpit locker and fitted with a coupler.
Batteries are recharged via the engine alternator or the onboard 30amp charger.

Sails & Rigging:
Masthead sloop rigged yacht with deck stepped aluminium mast by Sparcraft.
Stainless steel standing rigging with shrouds mounted at deck edge allowing easy access forward.
Aluminium boom with gas assisted boom vang.
Slab reefing mainsail mounted on lazy bag on the boom. Lazy jack lines.
Roller furling headsail system. Genoa sheet tracks mounted on coachroof.
Sails include main and genoa with UV strip. Storm sail with separate sheets and inner forestay.
Lewmar halyard winch mounted on coachroof. Lewmar self-tailing sheet winches within reach of the helm.
This is an ideal yacht to sail short handed or with an inexperienced crew.
