Mechanical and Rigging

Vessel powered by inboard Volvo Penta Diesel engine. This D3-190 model will cruise happily at 15-20 knots but capable of up to 27 knots depending on state of sea, bottom and amount of equipment and crew carried. Engine has only completed 222 hours but has been well maintained during current and previous ownerships. The engine has been regularly serviced with most recent in May 2020.

Propulsion is by a sterndrive unit fitted with stainless steel duo-props.

Bank of 3X12V batteries. These provide dedicated engine start and domestic power. These are recharged via the engine alternator or the battery charger when on mains power.

Accommodation

Sealine as a brand are renowned for the quality of their interior fit out. This S25 is a great example of this and is in super condition throughout. The cockpit is large and spacious and will sit six persons with ease. The upholstery is an easy clean leatherette material and is in super condition. The cockpit is finished in teak giving the boat that extra class. The foredeck is finished in moulded non-slip for safety. The fridge is situated in the cockpit which is handy when entertaining or catching some rays. Drop down bathing platform with ladder and cockpit shower. Cockpit protected by a full awning with removable sides.

The main cabin is accessed via a space saving sliding door. This leads to the carpeted interior with its smart blue fabric and high gloss cabinet work. Aft and beneath the cockpit sole is a very comfortable double berth. This space has a opening port to the cockpit for ventilation, 12V reading lights and a privacy curtain. A well equipped galley is to port with 2-burner gas hob, stainless steel sink with pressurised hot and cold water and a microwave oven.

Opposite is the large heads compartment with electric flush marine toilet, holding tank, sink unit with pull out shower faucet and waste water pump out. This easy clean area has opening port for ventilation and 12V lighting.

In the bow is the horseshoe seating area. This comfortable space has a dining table which

drops, and with the addition of an infill cushion, makes a further comfortable double berth.

Remarks :

Sealine S25 in superb condition. This low hour boat has many extras to make your time afloat both rewarding and enjoyable. Whether relaxing as a couple, fun with family and friends, this stylish and easy to handle craft ticks all the boxes. Large cockpit converts to a sun pad. The cockpit fridge means there is no distance to travel to get a drink. The NEW full cockpit canopy adds another room and with its removable side panels can act as a bimini sun top should it get too hot.

Below decks is bright and has a feeling of class thanks to the carpeted interior, blue upholstered seating and the high gloss cabinets. Galley has a 2-burner hob and a microwave. Heads features a shower and an electric flush toilet. 4 berth accommodation is ideal for a family of four or when guests come to stay.

Economical and powerful Volvo diesel engine. This 190hp unit is fitted with a Volvo sterndrive fitted with stainless steel duo props. Both are well maintained. Most recent service in May 2020.

If you are looking for a fast, easy to handle, reliable but smart motor cruiser, then look no further.
