## Mechanical and Rigging

### **Construction:**

Composite construction boat with a GRP hull and hypalon sponsons. White hull with moulded spray strakes increasing grip at high speeds. Hull has never been antifouled and is in good shape with minimal trailer damage.

The interior hull is finished in moulded non slip with a slightly raised foredeck moulding incorporating an anchor locker. Central GRP console with "Jesus" seat forward with cushion. Console has flush mounted GPS/Plotter/depth sounder and VHF radio. Side mounted single lever engine control with electric trim and tilt. Sports steering wheel with comfortable rubber grip. Moulded double helm seat with navy blue padded seating. Bench cushion removes revealing access to the 55 litre roto molded fuel tank with filler point. Aft is two, side by side, 2-person jockey seats in navy blue. Storage below the jockey seats.

The hypalon sponsons are in smart 2-tone navy and aqua blue. Black rubber fendering protect the hull when alongside. Rope access each side. Rubber mooring cleats and paddle mounts.

Aft will with electric bilge pump. Stainless steel rear lighting arch with antennae for GPS and VHF. Horseshoe life buoy holders.

### **Engine & Electrics:**

Vessel powered by a Evinrude e-tec 90, direct injection 2-stroke petrol outboard. This ultra low emissions unit was serviced in March 2020 ready for the season. Trim and tilt function. Engine instrumentation includes rev counter, oil pressure and temperature. Fuel stored in a 55Lt tank beneath helm seat.

12V system with brand new battery providing engine start and electronic power. Battery isolator at helm.
