Mechanical and Rigging

Construction

GRP Constructed angling boat with Modified deep-V bow profile with moulded chines which minimises amount of water onto the deck and aids directional stability at low speed. Under water profile features a skeg and metal prop protector. Under water areas copper coated in 2019. Vessel ashore for new anodes September 2021. White gel coat topsides in excellent condition with navy blue and silver hull decoration. Central wheelhouse allows for easy access both sides of wheelhouse. Raised gunwales aids security in a seaway or angling. Hull to deck join finished in D-Fendering. Stainless steel bow rails. Raised foredeck anchor well housing with lids port and starboard. Horizontal electric windlass with remote control.

Huge self draining aft deck with scuppers aft and mid ships. Engine housing has teak trim and can act as a table/work station. At transom there is a fish locker to starboard and a live bait well to port. Teak topped gunwales with inbuilt rod holders and hand holds.

Wheelhouse with PMNA rea and side door. Grab handles on roof. Toughened glass wind screen with twin wipers.

- **Hull Copper Coated 2019**
- **Hull topsides polished 2021**
- **New Anodes 2021**

Engines & Electrics

Vessel powered by a reliable and economical inboard Nanni 175hp turbo diesel. Engine is well maintained and serviced twice a year. Most recent in September 2021. Engine housed in the centre of the boat beneath a large hatch. Easy access for servicing and dailit checks. Engine timing belt was renewed in 2020 along with new engine block anodes. There is a comprehensive spares kit included with the boat. Engine start panel in wheelhouse with rev counter, oil pressure temperature and charging. Seperate fuel gauge from 200lt tank.

Bank of 2X12V batteries providing engine start and domestic power. Shore power added in 2018 along with 3-pin sockets with USB ports.

Accommodation

Accommodation

In reality this is a day angling boat from which you can spend the odd night. There is a single berth cabin along with a marine toilet. The present owner has a portable gas hob with gas bottle which is available if desired. Wheelhouse has a sliding door at rear and a sliding door on the starboard side. The double helm seat incorporates a sink with hand pumped water and a highly efficient front opening fridge.

- **Fridge**
- **Gas hob**
- **Sea Toilet**

Remarks :

Excellent example of one of the best sea water angling boats ever built. Fantastic platform from which to fish in any weather, you can see why these boats were snapped up by commercial fisherman. Huge aft deck, with plenty room for anglers or nets. Walkways either side of wheelhouse and raised foredeck incorporating an electric windlass and self draining anchor locker. Comes complete with sea water deck wash pump and live bait well. Powerful yet economical Nanni 175 hp inboard. Serviced twice a year without fail and serviced early September 2021. Vessel being lifted ashore for new anodes and hull polish. Under water areas copper coated.
